

*Achieve and Maintain
Healthy Skin with Remedy*

Before

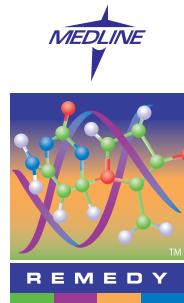

After

REMEDY SKIN PROTECTANTS

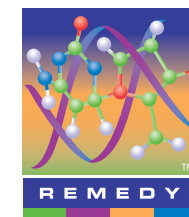

- Remedy Nutrashield uses an advanced blend of silicones that create long-lasting moisture barrier protection and shield skin from incontinence. Nutrashield also helps relieve chapped or cracked skin.
- Remedy Calazime Protectant Paste is ideal to help treat and avoid diaper dermatitis and on skin under compression wrapping.

REMEDY ANTIFUNGAL POWDER AND CREAM

- Developed to help treat and protect the skin from all common fungal infections including tinea pedis (athlete's foot), tinea cruris (jock itch) and tinea corporis (ringworm), Remedy Antifungal is available in either a powder or a cream.

To order Remedy products, ask your pharmacy,

MEDLINE REMEDY
REVOLUTIONARY ADVANCED
SKIN CARE PRODUCTS
TO HELP NOURISH AND
MAINTAIN HEALTHY SKIN

Your skin is a mirror of your health. As the largest organ of the body, healthy skin serves to protect you from a variety of potentially harmful materials such as chemicals, urine, stool, and also from bacteria and fungus that can cause infection.

FACTORS THAT AFFECT SKIN HEALTH:

1. **Aging** – the skin produces less sebum (oils), takes longer to renew and becomes thinner and more prone to tearing
2. **Poor circulation** – decreases blood flow to skin structures potentially robbing our skin of necessary nutrients
3. **Illness** – health conditions such as diabetes, cancer, congestive heart failure, renal disease, peripheral vascular disease, and limited mobility all may degrade skin health
4. **Skin conditions** – eczema, psoriasis, dryness, redness and itching
5. **Incontinence** – irritates the skin and may lead to infection
6. **Standard soap and skin cleansers** – remove natural oils and contribute to dry skin

CARING FOR YOUR SKIN

You can help improve your skin health. Monitor your skin daily and try to prevent damage. To help the skin recover and maintain its health you may:

- Preserve the natural moisture balance of the skin by selecting cleansing and protective products that deliver and help seal water and natural oils into the skin.
- Nourish your skin by using products that help deliver nutrients to the skin cells.

HOW YOU CAN BENEFIT FROM REMEDY Advanced Skin Care

Many skin conditions can be worsened by poor skin care or by the improper use of traditional products.

Remedy consists of a complete line of advanced skin care products clinically proven to help maintain healthy skin. Remedy may also help reduce irritation, itching, and discomfort.

Remedy features Olivamine,TM a proprietary blend of vital nutrients for skin including:

- Amino acids** – the building blocks of collagen that help strengthen the skin
- Vitamins** – to help improve skin cell functions
- Antioxidants** – derived from olives to help protect the skin cells from free radical damage
- MSM** – may help slow the conduction of pain fibers

Remedy products also contain silicones and natural oils designed to help relieve dry skin by holding moisture within the skin and reducing the potential for chaffing by forming a protective barrier between your skin and clothing.

Remedy can be used on people of all ages. The products are easy to apply. Apply by gently patting the product on your skin and avoid forceful rubbing.

REMEDY 4-IN-1 CLEANSERS

Cleans, Moisturizes, Protects and Nourishes

- Remedy Cleansers use phospholipids as gentle cleansing agents. They are soap free and designed to protect your skin's natural oils and avoid irritation. Recommended as a mild alternative to soap or for people with sensitive skin, incontinence or diabetes. Remedy Cleansers are available as a foam or lotion.

REMEDY MOISTURIZER

Skin Repair Cream

- An excellent daily moisturizer recommended even for fragile skin that is easily torn, bruised, inflamed, dry or itchy. Skin Repair Cream may help reduce the symptoms of eczema, psoriasis and dry skin in people with diabetes or other health conditions.
